# Technical Data sheet

## HYGEA® TABS

Grease Traps and Drain Blocks

### Description

HYGEA® Tabs are bacteria blocks specifically formulated and packaged for use in restaurant drains and grease traps where temperatures may exceed 90°F. Simple and easy to use, HYGEA® TABS gradually dissolve releasing beneficial bacteria into the drain or grease trap to digest FOG and keep systems free and clean.

HYGEA® Tabs are formulated with surfactants that loosen food particles and heavy fat deposits so bacteria can quickly begin digesting organic waste.

### Applications

Grease Traps, Interceptors and Drains

### Features and Benefits

- Easy to use – Eliminates the cost of daily or weekly treatments.
- Save money by reducing the frequency of manual cleaning, avoiding blockages and reducing fat removal costs.
- Reduces bad odors associated with organic waste and sludge.
- Lasts longer in hot water flow.

# Technical Data sheet

## HYGEA<sup>®</sup> TABS

Grease Traps and Drain Blocks

### How to use

Deposit the tablet in the grease trap.

*HYGEA TABS is a product with a wide range of organic solutions, for better results according to your needs, contact an IOS Biotechnologies<sup>TM</sup> technical representative for information on dosage and how to use.*

### Handling Information

Wash hands after use. Cleaning procedure: Vacuum or sweep, avoiding the accumulation of dust. Wash spill site with water. If there is bacterial contamination, use bleach to kill bacillus spores.

### Packaging

Box of 100 x 8oz. blocks

Grease Traps and Drain Blocks

### **Storage**

Store HYGEA® Tabs in accordance with local regulations. Store in the original container protected from direct sunlight in a dry, cool and well ventilated area. Do not freeze or heat above 110°F.

Keep away from incompatible materials (see MSDS), food and drinks. Keep container tightly closed and sealed until ready to use. Containers that have been opened should be carefully sealed and kept in upright position to avoid leaks. Do not store in unlabeled containers. Keep out of reach of children.

### **Warranty**

The information presented is correct to the best of our knowledge; however, no warranty is expressed other than the quality of the product described. Users of IOS Biotechnologies products must review this information and recommendations to determine their relevance and applicability in the specific context in which the data will be used.

### **MSDS**

IOS Biotechnologies provides its customers with a Data Sheet of Safety (MSDS) specifying safe handling, storage, potential health effects, and use and disposal information of the product. IOS Biotechnologies encourages its customers to review the (MSDS) in detail about the products and other materials before its use.
